May 16, 2018

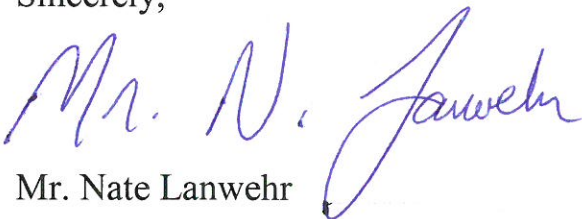

Dear Students, Parents, and Families,

Due to a water main break at our school on Wednesday, May 16, 2018, we will not have school on Thursday, May 17 and Friday, May 18. This water main break presents an issue of health and safety for our students and it is our main priority to keep students safe and healthy. We realize this creates a huge inconvenience as you try to arrange child care services for your child. Again, we hope you understand the intentions of closing the school down for Thursday and Friday as health and safety are our main priority.

These days will not be made up after May 22 due to the state of Ohio requirement for minimum hours met. At this time, we have met the minimum hours met for the 2017-2018 school year.

Kindergarten Graduation will happen as scheduled on Thursday, May 17 at 7PM. The reception after the graduation will be moved to a different location. The Grade 8 class trip to Cedar Point on Friday, May 18 will continue as planned. All other field trips that were scheduled to happen on May 17 and May 18 are cancelled.

Sincerely,

Mr. Nate Lanwehr

Principal
