Parents,

As many of you have heard, SPPS will be closed Monday, March 16 through April 3. This is in response to Governor Mike DeWine's announcement yesterday ordering all schools in the state to close for a minimum of three weeks. This directive includes for us all Pre-K through grade 12 schools and programs, diocesan and private. All school and school-related events are cancelled, postponed, or rescheduled until further notice, effective immediately. These include, but are not limited to: Grade 6 trip to Camp Michindoh, Grades 4-8 Spring Musical scheduled for 4/6/2020, Grade 8 Confirmation meeting scheduled for 3/15/2020, Grade 8 algebra meeting scheduled for 3/24/2020 at OGHS, Grade 5 parent meeting scheduled for 3/24/2020, and Film Festival scheduled for 4/5/2020. You will be notified when or if these events are rescheduled. Thank you for your continued understanding as we all work through these next few weeks.

The school office will be open from 9:00-2:00 daily to answer any questions. We will be doing what we can to help our students continue to grow spiritually and academically. Your child's teacher will be sending you more information about how this will work for their classroom.
